

Our presenters

APPLECROSS Presenters

DR O.T. LEE (Year 12 Mathematics): Author of maths text books and revision guides which are widely used in WA schools. Dr Lee is an exceptional, insightful teacher with extensive experience as an examination marker. His students consistently achieve outstanding results.

ROBERT HEPBURN (Year 11 & 12 Chemistry and Physics): A charismatic teacher whose students achieve excellent results. Mr Hepburn has a combined degree in Quantum Physics and Civil Engineering and has taught Year 11 and 12 Physics and Chemistry for over 15 years.

DIRK GILDENHUYS (Year 11 Mathematics): A passionate and highly experienced teacher and Maths textbook author. Mr Gildenhuis was voted Teacher of the Year by students on more than one occasion. He has been the Head of Mathematics in three schools and has a Masters in Mathematics. His teaching style and engagement with students has proven successful throughout his career as is evident from the excellent results and extremely positive feedback from his students.

ANNABEL KANAKIS (Year 11 & 12 Human Biology): An inspirational teacher with extensive experience teaching in secondary and tertiary institutions and marking WACE exams for more than 30 years. She has been involved with the development of the Human Biology curriculum, contributed to the Human Biology Human Perspectives textbook and edited Creelman Human Biology and Biology.

DR KIRSTEN LAMBERT (Year 11 & 12 English and Literature): A lively, engaging and exceptional teacher who uses a variety of practical and theoretical approaches to bring texts to life and unpack syllabus and exam-writing for students. As a teacher with over twenty years' experience in a variety of teaching fields, she is also an ATAR course exam writer, marker and book author. She is passionate about giving students the confidence and tools to deconstruct, critique and explore texts.

PERTH MODERN SCHOOL Presenters

DR ROY SKINNER (Year 11 & 12 Chemistry and Physics): An inspirational teacher and an author of Physics and Chemistry Study Guides. He has a Masters degree in Nuclear Physics and a Ph.D. from King's College, London in Science Education. He has been awarded the De Laeter Medal as an outstanding science teacher. Dr Skinner has taught Physics and Chemistry in three different countries and has been the Head of Science in five schools.

JACQUIE EDWARDS (Year 11 & 12 Psychology): An innovative, fun and charismatic teacher who delivers engaging lessons. She has an exceptional record for academic success with students, including top performers in the state. Ms Edwards is well equipped to demystify and explain the broad range of Psychological concepts with relatable examples and practical strategies informed by her exam marking experience.

Achieve Success at School

2019

ATAR Master Classes

*"Be inspired with teaching by top subject experts
and maximise your school and exam results."*

About us

Since 1986 Academic Group has helped over 100,000 students and worked with many schools to enable students to achieve academic success.

We have grown by continually evolving to meet the educational needs of WA students and because of the excellent results our students achieve.

Operating as Academic Task Force, Academic Associates and The Exam Experts, we have over 30 years' experience. We are experts in providing top-quality revision programs and study resources that help develop the skills and capabilities of students to enable them to reach their full potential.

We are more than a tutoring business; we are a company responsive to the diverse needs of students. We offer a variety of services and we have developed specialised programs and products that have been designed to target students' desire to access the best teachers, receive comprehensive and time-effective revision and result-driven exam preparation.

"I am very proud of our excellent record of quality teaching and the high academic results our students achieve"

Why choose a Master Class?

ATAR Master Classes are specialised courses that will help students maximise their grades and strive for the elite A and A+ scores.

Each week, the teacher will focus on a particular syllabus topic; students will get in-depth explanations and examples with time to practise questions and receive individual feedback and expert coaching from our Master Class teacher.

Our Master Classes will:

- ✓ Inspire success with expert teaching by WA's top subject specialists
- ✓ Work through challenging concepts and difficult exam questions
- ✓ Provide exam tips and hints to maximise exam marks
- ✓ Polish students' performance
- ✓ Be a valuable supplement to learning from school

ENGLISH MASTER CLASSES: Where a student is at risk of not gaining University entrance because of low English results, we offer an English Master Class that covers practical strategies for students that will greatly improve their marks.

Testimonials

"The Master Class teacher explained difficult concepts really well and presented them in a way I could understand. I have a lot of respect for the teacher and for the knowledge they have. I would recommend this course to any year 11 or 12 student who wants to understand their subjects and do well." (Lyndon Dutton, Guildford Grammar School)

"Georgia has gained much from her Master Classes. Her marks have improved significantly and she is a lot more confident in her subject knowledge." (Joanne Burden, daughter Georgia, Perth Modern School)
