Fun Art & Craft Activities for 4-14yr olds

Do you want your kids to have fun, learn how to problem-solve, and increase their social skills while learning to draw, paint and make things?

Creative Kids Art Club offers art programs at multiple locations in Perth. Our emphasis is on having fun, learning some art skills and trying new things, all in a small group setting.

Our team of qualified and experienced art teachers encourage kids to develop their creativity, trying out everything from painting and drawing to, sculpture, clay work, printmaking and more. Our program changes every term and classes are designed to develop your child's natural abilities. We teach art so children learn about elements such as line, shape, colour, texture and composition.

Inspiring Creativity through Art

Our art programs include:

Little Kids Holiday Classes (4-6yrs)

Creative Kids (5-9yrs) and Art Club - painting and drawing (9-14yrs). All materials are provided. Please check the website for program times and locations

How to Book

It couldn't be easier. Our online booking system takes you through it, step by step: locations and times. You fill in the online form and choose your class. We also offer a payment plan where you can pay the term fee by instalments.

Email jane@creativekidsartclub.com.au or phone Monday to Friday 9am to 5pm on 9367 7618

Discounts

Family discount: \$20 off the term fee for second or further children enrolled in the same term.

Pension card holder discount: please email an image of your Pensioner Concession Card to request the discount. Your child must be listed on the card.

Discounts are only valid on full term enrolments and are not valid with any other offer.
