

## Food and Textiles Technology Technician

Part Time (0.6 FTE)– Long Service Leave cover for 12 months

Commencing Term 1 2023

Dale Christian School has an exciting opportunity for an enthusiastic and innovative Christian Food and Textiles Technology Technician. This role requires the applicant to have excellent organisational, communication and time management skills along with demonstrated experience and qualifications to perform the required duties.

Our Vision at Dale is to offer affordable, quality Christ centred education as we strive to equip our students with skills and strong values that encourage them to pursue excellence in all areas. Every student at Dale Christian School will clearly hear the claims of Christ on their life through management, curriculum and teaching practices and see the love of God at work in the school community. The successful applicant will be expected to:

- Be prepared to model, uphold and support the ethos of the School and its Core Values.
- Provide support by preparing equipment and materials for lessons and performances
- Provide assistance in practical lessons
- Assist teachers in classrooms
- Help with the maintenance of equipment and resources
- Ensure safe working and learning environments
- Undertake acquisition, storage and replenishment of supplies and equipment
- Undertake tasks related to the promotion of the School and the Design and Technology area.
- Be willing to be a productive member of our team and work collegially with the other members of the team.
- Adhere to the “Staff Code of Conduct”, “Child Protection Policy” and the schools “Statement of Faith”.

(Ideally the 0.6 FTE role would be over three full days, but there is the possibility for negotiation depending on the applicant’s availability.)
